- 2.3. No national authority prescription will apply.
- 2.4. Automatic, mechanical and wind vane devices for steering shall be prohibited.
- 2.5. To alert boats that a race or sequence of races will begin soon, the **ORANGE** starting line flag  will be displayed with one sound at least five minutes before a warning signal is made.
- 2.6. In case of a **triple-number** scoring method, before the warning signal of each race the RC will be display one of the following flags and/or may display on a board {L, M, H} to indicate the provisional scoring method:

Wind	Flag	Notice on board
Light	Numeral one 	L
Medium	Numeral two 	M
High	Numeral three 	H

If there is a substantial change in wind speed during the race, the RC may decide to use a different time correction. This will be indicated by displaying the appropriate board on the finishing vessel. Any decision by the RC in connection with the application of the Triple Number System will be no ground for redress. This changes RRS 62.1(a).

- 2.7. If **Flag F**  is displayed (no sounds) at any mark, that mark shall be left on the required side and boats shall then proceed directly to the FINISH, leaving out any further marks of the course.
- 2.8. [DP] Appendix 1 of these SI shall apply for the bow numbers. Protests on the bow numbers can be lodged only by the RC. This changes RRS 60.1 and 60.3.
- 2.9. Length of course, directions of leg and wind will be decided by RC and will not be grounds for seeking redress. This changes RRS 60.1(b).

3. CLASSES [NP]

Boats will be divided in Classes {ORC-A; ORC-B; ORC-C} according to the Notice of Race requirements.

- 9.5 After signaling an individual recall, the RC will attempt to broadcast the sail number, bow number or name of boat that has not started and is identified as OCS on VHF channel. Delay in the radio broadcast of these calls, or the order in which they are made, or any omission or failure in the emission or reception of these, will not be grounds for a request for redress by the boat. This changes RRS 60.1(b) and this rule does not reduce, modify or exonerate each boat's responsibility to start in accordance with the RRS.

- 12.4 The scoring point's coefficient for inshore races is 1.00 and for offshore race is:
